## **Drama Club - Summer Term!**

**Drama Hub after school clubs are a fun and creative environment where children are given a safe space to explore and achieve.**

Throughout the term we explore drama with games and exercises. Drama helps us to improve our focus, listening and teamwork.

Each term we devise our own plays which helps us learn to collaborate and value each others ideas. At the end of the term we have an informal sharing where families are invited in to the last 15 minutes of class to see what we've created!
