

Look Up! - Activity 1 - Be An Ambitious Leader

- KS1 children - have a look at the attached illustration from the story and answer the questions.
- EYFS children - have a look at the attached illustration and discuss where each person is looking (up or down) and why?
- This task is to go for a walk with your family around a familiar route near your home. It can be around the roads near your home or a park you like to visit.
- You are going to be the **leader** of your family group. You decide which way to go and your role is to look for things you haven't spotted before and point them out to your family. Remember to 'Look up' - you might be surprised how many things you see that you haven't noticed before when you look closely.

- You could take notebooks and pencils and draw pictures of different things you see.
