

23<sup>rd</sup> November 2023

Dear Parents/Carers,

### Book Fair Success

We are absolutely delighted to share the success of our recent book fair at Merry Hill. The total sales amounted to an impressive £803.08, resulting in **£401.54 in rewards earmarked for books for our school**. We would like to take this opportunity to say a big THANK YOU to all who contributed towards this. The substantial sum accrued will be invested in books for our classrooms and library and will really benefit our children here at Merry Hill.

### FoMH Contributions

As we approach the festive season, we are filled with much appreciation for the incredible support and generosity we have seen within our school community. A special thank you goes to our FoMH for their tireless efforts in organising and fulfilling various fundraising activities. Your commitment has truly made a difference, and we are immensely grateful for your hard work.

We also extend our sincere thanks to all the parents who have contributed to our fundraising initiatives, especially as we gear up for the Winter Fair this weekend. The incredible support received has made these events possible and been instrumental in acquiring essential resources for our pupils. Thanks to the funds raised so far, we are excited to share with you that we have been able to purchase a new interactive whiteboard for the hall. This invaluable addition will enhance our assemblies, providing an interactive and engaging platform for both the pupils and teachers.

Our previous screen was no longer fit for purpose, but thanks to your collective efforts, we now have a tool that opens up exciting possibilities. From enriching visuals to captivating videos and even workshops for our wider learning community, the interactive whiteboard has already proven to be a versatile asset. We hope that you too can see the whiteboard in action at our upcoming maths workshops next week.

Once again, thank you to each and every one of you for your ongoing support. We look forward to a wonderful Winter Fair and many more enriching experiences made possible by your generosity.

### **Inclusion Award**

At the core of Merry Hill's vision is a commitment to fostering an inclusive and supportive environment where every child's unique qualities are celebrated. Our commitment to achieving this vision involves collaboration between staff, parents, governors and the local community. Our dedication to this vision is reflected in the meticulous review of practices and implementation of key changes designed to benefit the inclusion of all pupils.

This week, we were privileged to welcome the SENDIASS external verifier into our school to showcase our exceptional work in this area. The verifier conducted a comprehensive learning walk, observing the embedded nature of inclusion throughout the school. Additionally our portfolio, highlighting exemplary practice at Merry Hill, underwent thorough examination.

During the visit, I alongside our dedicated SENCo, Mrs Summers, delivered a presentation about our journey. Moreover, the children shared their learning experiences, providing a first-hand account of our inclusive educational approach. To gain diverse perspectives, an interview was conducted with a working party consisting of parents, governors and teachers explaining our collaborative efforts to provide the best support for our pupils with SEND.

I would like to take this opportunity to thank Mrs Summers, for her exceptional leadership in the realm of SEND. Mrs Summers leads with dedication and a deep understanding of the diverse needs of our pupils.

### **'Healthy Learners' – how we ensure we are ready to learn**

#### **Road Safety**

On Monday, we launched Road Safety week with a Road Safety assembly. We shared and discussed the Green Cross Code and the children confidently shared their knowledge about how to be a safe pedestrian and how to cross the road safely with a grown up.

**FIND** a safe place to cross.

**STOP** on the pavement, just before the kerb.

**LOOK** all around and **LISTEN** for traffic.

**LET** traffic pass, then look and listen again.

**WALK** across when it's clear. Do not run.

This year the theme is "Let's talk about speed". We discussed the fact that it is always better to arrive somewhere safely and this means *walking* on the pavements and when crossing the road with a grown up, and always driving within the speed limit.

Let us all work together to make sure the roads around Merry Hill are as safe as possible for our children and community.

### **Cost of Living**

Every week, we aim to feature a suggestion for a free (or inexpensive) family activity that you can enjoy together. If anyone has any tips or ideas of free or inexpensive activities you would like to share with our community, please let the office know. I hope you find these activities enjoyable and valuable for quality time together.

### **Bentley Priory Museum**

#### **What:**

Bentley Priory Museum, previously RAF Headquarters Fighter Command, is a site of national historical importance and from where the Battle of Britain was won. Throughout the year they welcome guests to explore the splendour of this amazing Sir John Soane extended property, which has hints of Italian grandeur and where many Second World War and Cold War secrets were hidden within.
