

## The Proudest Blue - Activity 1

'The Proudest \_\_\_\_\_'

- Draw a self-portrait.
- On 1 side draw your appearance. Include anything that makes you unique and special that the world can see.
- On the other side draw things that mean a lot to you. This could include items, people, places, songs etc.
- If you don't feel like drawing your portrait, you could make it using things from around your house (transient art). For example, use a sock for your nose and two jars for your eyes. Make sure you remember to put things that mean a lot to you on one side of your face.
